Mr. Vítězslav Kalous
CEO
NIKA Logistics a.s.
Nádražní 220
Hrochův Týnec 53862
Czechia

Dear Mr. Kalous:

On behalf of the Board of Directors of the International Cyanide Management Institute (“ICMI”), I offer our congratulations on the certification of NIKA Logistics. This certification is effective February 9, 2026.

The audit documents for NIKA Logistics have been reviewed by ICMI for completeness and were found to meet our requirements. Based on the audit findings, NIKA Logistics is certified in full compliance with the International Cyanide Management Code (Cyanide Code). Pursuant to the authorization letter dated January 14, 2025, the Summary Audit Report and the Auditor Credentials Form have been posted on the ICMI website: www.cyanidecode.org.

Please note that NIKA Logistics must be audited on a three-year cycle and found in compliance with the Cyanide Code to maintain its certification.

Please do not hesitate to contact us should you have any questions.

Sincerely,

Paul Bateman
President
